22 Fire birect, St. Louis, Mo., Feb. 1, 1877.

A Metriam, Washington Av., Chy.— Dear liber: I have for some years been troubled with tarm, and for the peat two years have suffered mostly with it. Noticing your advertisement of Nounce Element (Radioal, Cura), I declined to it. I have used only two bottles, and as a result sed so much influence that I presume on our permit relations and write failed you and ask that it is some measures to get I more prominently fores the politic, that others may have such relief I have. I have recommended it to quite a numer of my friends, all of whom have expressed to with them.

It really think it particularly adapted to wants of it Louis people, and they all ought to know of it, and there who need it should try it. I will risk the american that 1600 i.c. vials tes a sample; to be given sway will sell as many bottles.

Try some plan. Let the people have it; they need it. I be lieve I could sell 300 bottles myself—of centre you could largely increase this number. Why not try it? Yours trait, WM. BOWKN. Sold by all Wholesale and Retail Denggists and
